PAPER 2

SECTION A

1. Study the table below showing power and energy sources for selected countries and answer the questions that follow.

| Country | Energy production (Billion Kwh) | Hydro - electric power (%) | Coal | Oil | Natural gas (%) | Nuclear Power (%) |
|--------------------------|---------------------------------|----------------------------|------|------|-----------------|-------------------|
| China | 1,350 | 16.0 | 78.0 | 4.0 | 1.0 | 1.0 |
| Switzerland | 66 | 56.0 | 00.0 | 1.0 | 2.0 | 41.0 |
| Egypt | 75 | 18.0 | 00.0 | 16.1 | 65.0 | 00.0 |
| United States of America | 4,000 | 6.0 | 54.0 | 3.0 | 17.0 | 20.0 |

*Adapted: 2003 World Development Indicators; World Bank, Washington, DC.
pp. 151 - 154.*

- (a) Draw a compound divided rectangle to represent the information given in the table. (10 marks)
- (b) Outline the advantages and disadvantages of using the statistical methods in (a) above. (05 marks)

(c) Account for the high energy production in either China or the United States of America. (06 marks)

(d) Explain the role of power and energy in the development of any one country given in the table. (04 marks)

SECTION B

2. (a) Distinguish between factory farming and marketing gardening. (10 marks)
- (b) Assess the contribution of market gardening to the development of any one country in Western Europe.
3. Examine the factors that have favoured the development of the agricultural sector in Monsoon Asia. (25 marks)
4. (a) Account for the destruction of forests in tropical Africa. (15 marks)
- (b) Outline the effects of deforestation on the environment in tropical Africa. (10 marks)
5. Explain the importance of the fishing industry in the development of either Norway or Peru. (25 marks)
6. Assess the contribution of the mining industry to the development of either China or the Republic of South Africa. (25 marks)
7. To what extent have physical factors influenced the distribution of population in either Nigeria or China? (25 marks)
8. Assess the impact of urbanisation on the environment in either Brazil or India. (25 marks)
9. Account for the development of either Hong Kong or Tema as a port. (25 marks)
10. Examine the factors which have led to the development of the tourist industry in either Tanzania or the United States of America (USA). (25 marks)
